One uniform.
Countless skills.

Get to Know Your Vet Tech

Our veterinary technicians work with veterinarians to give your pet the best care possible. **Help us to make a difference for your pet and all of the pets in our care.**

- **Ask us questions!** Trusting us with your questions and allowing us to use our experience and skills in providing care, performing diagnostic tests, administering vaccines and medications, and more frees up time for veterinarians to focus on the things only they can do. When a pet owner trusts us, they make a difference too.
- **Get to know us!** It is our pleasure to serve you and your pet. Veterinary technicians have **an essential role in delivering care to your pet.**

You don't need to save all of your questions for your veterinarian. Don't hesitate to ask your vet tech and we'll help make the most of your visit.
